SNOHOMISH COUNTY PUD

FIND ENERGY WASTE IN YOUR HOME!

Our free EnergyAdvisor tool lets you integrate your electric history usage for a personalized report specific to your home.

To get this free report, grab your PUD account number from your PUD bill and go to **snopud.com/energyadvisor**. Click on the graphic “Do you want to lower your PUD bill?”

After answering a few quick questions about your home and appliances, you receive a comprehensive report with tips for no- and low-cost ways to save, as well as information about relevant PUD programs and rebates.

That’s how easy it is to use!

You will also find specialty calculators for thermostats, lighting, televisions and appliances to see how much electricity these items use and find ways to reduce usage.

EnergyAdvisor is available 24 hours/day, 7 days/week. If you have questions about the information provided by EnergyAdvisor, contact our Energy Hotline for assistance.
