

Snohomish PUD #1 Qualified Products List

Residential Electric Clothes Dryers

Effective date: 1/1/2025

Model numbers often contain wildcard characters, such as *, #, and X, which are placeholders for non-energy attributes, such as color.

Qualifying clothes dryer models must meet current ENERGY STAR® requirements. Please see [Energy Star Product finder](#) for more information on specifications.

Qualifying heat-pump dryers must meet current BPA Tier 3 requirements. Please see [BPA's website](#) for more information on specifications and model requirements, currently qualified models are included in this QPL.

If you don't see the model you're interested in on this QPL, please reach out to us at 425-386-8148 or SnoPUD@resource-innovations.com to confirm eligibility prior to purchase.

\$50 on ENERGY STAR qualified models

\$250 on BPA Tier 3 Heat Pump qualified models

\$75 on ENERGY STAR qualified models washer and dryer combos (highlighted in gray)

\$275 on BPA qualified tier 3 washer and dryer combos (highlighted in gray)
