

HEAR Program Qualified Products List (QPL)

Effective date: 1/15/2025

Installation of a washer/dryer set or the all-in-one is required to participate in the HEAR program

For more information about product efficiency please visit energystar.gov

All clothes dryers are ventless.

* indicates a place holder for sub-model specification designation. For example, "W" typically indicates white color.

List contains all-in-on washer dryer combo units.

Retailer	Brand Name	Type	Model Number	Drum Capacity (cu-ft)	Voltage (V)
